## MILITARY UNDER UN TO TAKE OVER U.S.

By Robert H. Williams, news analyst,  
lecturer and former Counter Intelligence Officer

In the July issue I reported what appeared to be a serious threat at seizure of power in an emergency by the infiltrated Civil Defense Agency.

It now appears that this agency probably will be subsidiary to and at the command of still another new force, the Military Government (Reserve) units now in training.

The Military Government units have sprung up apparently without Congressional authority, and they are issuing their training proclamations in the name of the United Nations, a thing half Communist and largely under the influence and direction of Zionist revolutionaries. They are being trained to govern us with absolute power if and when the President proclaims martial law.

It may be that martial law—rule by the army—would be necessary in time of emergency, to help police and the FBI cope with the millions of Communists, Zionists and willing "liberal" tools inside our borders. All good Americans would want to cooperate with the military. But martial law does not require specially selected and trained "Military Government" units—to rule over their own people. The Army would need merely to back the local police and the FBI in their operations. The new force is to be a complete government—stemming from Washington and the United Nations—sweeping aside our local self government.

During July Military Government units, trained at Fort MacArthur, seized several cities in Los Angeles county in "dry runs" for training, and in each instance they issued their proclamations as coming from the United Nations Security Council. They said they were being trained primarily to govern foreign territories captured by our armies, but they said also they would take over American territory if and when it has been occupied by any enemy and then liberated by our troops. There is much talk also that they will take over if the West Coast is threatened with attack.

We got a still stronger warning from a meeting of the Military Government Association in June at 210 West 7th Street, Los Angeles, in which a high public official, a member of the association, said "we are going to have military government whether we like it or not," and other association leaders spoke in a like vein. While the association is unofficial, evidently these association leaders expect to wield great influence in the MG dictatorship if and when it comes.

The personnel of the new Military Government units seem to be largely out of the old American Military Government (AMG) crowd which Roosevelt and Truman sent to rule conquered peoples as we took territory. Reporting

## Americans For Democratic Action Promote Nation-wide Pro-Communist Plot

By Captain Douglas Musser Smith

(Common Sense is pleased to bring its readers this exclusive article by Captain Smith, a Chevalier of the French Legion d'Honneur and holder of the Croix de Guerre with two palms. Captain Smith, who joined the French Foreign Legion before the U. S. entered either war, served as a Lieutenant in World War I—Captain in World War II. His book, "American Guerrilla," was published by Bobbs-Merrill in 1943.)

The ADA—Americans for Democratic Action—and the labor bosses aided in the dastardly plot to establish a pro-Communist dictatorship in

the United States and set up a permanent war spending program in order to stave off a financial depression, BUT at the expense of American lives in Korea.

VIVIEN KELLEMS

Connecticut industrialist Vivien Kellems, who battled the legal experts of Internal Revenue and refused to withhold income taxes from wages paid to employees of her cable grip manufacturing plant, blames men for the tyranny in government.

Commenting on the "brave women in Marshall, Texas," who have refused to withhold social security taxes from wages of their babysitters, part-time maids, etc., Miss Kellems, in a letter to John O'Donnell of the New York Daily News, stated:

"The women of this country couldn't vote when you brilliant, far-sighted men decided to dump our constitutional system of taxation overboard and adopt the major tenet of the Communist Manifesto, the graduated income tax, withholding tax, and the greatest snare and delusion of them all, the so-called social security racket. Every bit of the whole program stems right out of Russia. Suddenly you men come to and find yourselves so completely enmeshed you cannot extricate yourselves, and as usual you start shouting for women to come to your rescue."

"... The time has come for every real American to stand up and be counted. We need some old-time religion, faith, repentance and baptism, and I'd like to see a few of you great, big, strong men hit the sawdust trail along with the women down in Marshall, Texas."

The March, 1950, platform of that leftist organization calling itself the ADA stated: "We believe the recall of General MacArthur and the transfer of control from the Army to the State Department are necessary to this end."

Not satisfied to demand the withdrawal of General MacArthur, as is evidenced in the above resolution passed at their convention, the ADA also aimed to leave Japan unarmed so it would be easy prey for the Communists to take over by internal revolt and seizure of the government by Japanese Communists. Their platform on this vital point was: "... We reject the proposition in some quarters to concentrate upon rearming the Japanese and making them our allies."

Thus the ADA—Americans for Democratic Action—shows its pro-Communist feelings and aim. Its policy was to remove General MacArthur, the one great leader opposing their un-American activities in the Eastern theatre. By leaving Japan unarmed, recognizing Communist China, and turning Formosa over to the Chinese Communist faction would give them control of the Pacific and make the western coast of the U. S. more vulnerable to attack. ADA's actions and policies are so un-American as to be treasonable.

Another RED plank in the ADA platform was: "Recent banning of Communist student organizations on college campuses forces us to affirm most strongly the right of Communist student organizations to organize on an equal basis with other student organizations and to hear any speaker of their choice."

Who controls the policy of the Americans for Democratic Action?

Francis Biddle—National Chairman. He was Attorney General during the great Amerasia spy scandal which was suppressed by the government, but which will shortly come to light again through the investigating, as a subversive, Soviet-financed organization, of the Institute of Pacific Relations by the U. S. Senate. (Defense Secretary, General George Marshall, is a trustee and should be immediately relieved of his command and investigated by the F. B. I.)

Joseph L. Rauh, Jr.—Chairman, Executive  
(Continued on Page 2)

## Zionist Discredits Chiang

JOHN GUNTHER

John Gunther, author of "Inside Europe," "Inside Asia," "Inside Latin America," and "The Riddle of MacArthur."

Gunther's books cleverly discredit the Nationalistic Governments and are so slanted to favor the Marxist plan of "World Government"—Communism. The uninformed do not know why.

The truth is Gunther is a Jew (Astatic Yiddish). He has lived for a considerable period in the Soviet Union, and knows plenty about Communist plans. He is not necessarily a card-carrying Communist. He is of the group which established Communism as a front to establish a "one world government" to be ruled by Jews. The Rhodes Scholarship plan is just as important a front for the Jews as Communism—Fabianism—Socialism—Zionism, and New Dealism.

John Gunther's mother was a Jewess named SCHOENINGER: he married a Jewess, FINEMAN.

## DOPE

From the "EMANUEL AND JEWISH JOURNAL," 3/27/1942: ("PASSOVER EDITION"), article entitled: "JEWS IN THE FAR EAST," (pub. 251 Kearney St., San Francisco, Calif.): "Ten or so years ago it was easy for a Jewish immigrant to iron out his financial difficulties in international, teeming Shanghai. The rich Sephardic-Jewish Kehillah community went out of its way to extend helping hands to those brethren in need. This community was established in the fifties of the last century. The first Jew to settle in Shanghai was Elijah David Sassoon, one of the fabulously wealthy Sassoons of India (the so-called 'Rothschilds of the East'). He opened up a branch of the family's business house, attracting thereby Jews from Baghdad and India to come and pitch their tents in Shanghai. In the years following, Shanghai saw the advent of Jewish immigrants from Austria, Germany, Russia and Poland. . . .

"Names like Sassoon, Ezzam and Caduri gives testimony to the fact that the Sephardic-Jewish community is far from being pauperish. The generous inheritance that Caduri left to the schools of Eretz Israel also proves that Shanghai's Jews have their hearts, as a way of saying, in the right place. Opium and banking are the kehillah's two chief sources of wealth. . . . Hong Kong's Jewish community is about a century old, and here too a member of the Sassoon family was the first Jewish settler. . . . Saul Abdullah, born in Bagdad and brother-in-law of David Sassoon, founder of the business establishment, 'Sassoon, Sons & Partners,' resided in Hong Kong the greater part of his life, and won for himself the reputation of being a gifted Hebrew scholar and writer. . . . Originally from Baghdad and Calcutta, these Jews had succeeded in their undertakings in growing Singapore, and had at the same time remained loyal and true to their faith. They resided in spacious, tree-surrounded mansions. . . ."

## Pro-Communist Plot

(Continued from Page 1)

the "seizure" of Culver City the Los Angeles Committee. He is notorious as the defense attorney for Remington, recently convicted as a Communist spy. Judge Noonan was so angry at the tactics of Attorney Rauh that he ordered him to sit down and barred him from making any further remarks to the Court.

Walter P. Reuther—Labor Boss of the U.A.W. Union—Vice Chairman. Reuther's father was a Marxist Socialist in Europe. Reuther went to Communist Russia to study Communism in practice. During his 18 months' stay there, he wrote back to friends in Detroit: "Carry on the fight for a Soviet America." He helped raise money for the Communist cause in Spain. He is one of the most dangerous men in America. Do not be fooled by his polished manners; he is a foul-mouthed conniver if there ever was one.

James A. Weschler—Board Member. Weschler is the editor of the New York Post—certainly, by all standards, a very left-wing tabloid.

Other officers of Americans for Democratic Action include: Marvin Rosenberg, Treasurer (President of Cameo Curtains), A. J. Hayes; Senator Hubert H. Humphrey; W. P. Kennedy (President of Railroad Trainmen, the union which tied up freight scheduled for Korea in the recent "sick" strike); Senator Herbert H. Lehman, Murray D. Lincoln, Reinhold Niebuhr, Rep. Franklin D. Roosevelt, Jr.; and Arthur M. Schlesinger Jr.

John J. Gunther, author of the "Inside" series of books, is ADA's Legislative Representative and James Loeb, Jr. is National Executive Secretary. Frank W. McCulloch, administrative assistant to Senator Paul Douglas, was chosen as the Board's Secretary.

Mrs. Ethel Epstein, David Ginsburg, Sidney Hollander, Sr., Leo A. Lerner, Chester Bowles, Mrs. Newman Levy, Rt. Rev. William Scarlett, Marshall Holleb, and Otto L. Spaeth are also listed as ADA officers.

Senator Lehman (ADA Board Member) is listed in the magazine, The National Wage Earner, as a labor stooge. His vicious attack on General MacArthur had all Washington agog, but it should have been expected since Lehman is known to have been on good terms with the convicted Communist spy, Alger Hiss. Lehman's sympathetic letter to Hiss stated: "I want you to know that I have complete confidence in your loyalty and that, in common with your many other friends, I know that under no conceivable circumstances could you fail to safeguard the interest of your Country." No doubt Lehman refers to Hiss' real country—the U. S. S. R.

Even after the conviction of that Communist spy, Hiss, Leftist Lehman's niece, Mrs. Benjamin Bittenweiser, according to Ruth Montgomery's April 13th column, "D. C. Wash," provided the "convicted-traitor with a hidaway in her New York City home and Mr. Bittenweiser, believe it or not, was then and still is our Deputy High Commissioner in Occupied Germany."

Bittenweiser should be immediately dismissed from his position of trust and his record checked by the F. B. I. United States Senator Lehman's activities should also be examined by the Un-American Activities Committee. Lehman should be asked to resign. America cannot afford to have a friend of a convicted Communist spy sitting in the United States Senate in time of war.

At this point, two other important policies of the Americans for Democratic Action should be noted. Both were written into their March, 1950, platform:

1. "We believe that sooner or later we will be compelled to establish diplomatic relations with the Mao Tse-tung regime as the effective government in China."
2. "While we recognize the right of Congress to conduct investigations, the House Committee on Un-American Activities has proved itself a threat to freedom of political opinion. We therefore call for its abolition."

The Un-American Activities Committee was

beginning to show up Communism, so the ADA took it upon itself to "call for its abolition!"

One of the very, very few outright anti-Communist countries in Continental Europe is Spain. That the Americans for Democratic Action know this is a certainty. Still their platform read: "We unequivocally condemn the Fascist regime in Spain. We are opposed to the granting of any aid to Franco Spain in the United Nations or any of its subsidiary agencies, in the European Recovery Program or in the North Atlantic Pact."

Spain, without U. S. help of any kind, built up and maintains an armed force close to 500,000—all services included—and has offered to increase it to 1,000,000 men if the U. S. will help equip the larger force. There is no question that the ADA platform hopes to ruin those countries opposed to Communism and which would be of invaluable aid to the U. S. (NOT a burden, like most of Continental Europe) if war should come with the Soviet hordes.

The puzzled, the undecided, may still question the crimson hue of Americans for Democratic Action. Reinhold Niebuhr, another ADA Board Member, may help in settling the wavering mind. His address to the ADA convention at Cleveland in February, 1951, was in part:

"In all affairs of domestic and foreign policy, we were the undogmatic left. . . . The undogmatic left on the whole, I think, takes the position that the way to preserve freedom and justice is to bring all power both political and economic power, under social control. . . . A strong sense that both out of prudence and morals it is necessary that America relate itself responsibly and creatively to a world community. . . . We as liberals are the bearers of the foreign policy tradition as against American Conservatism."

That should very clearly prove that the Americans for Democratic Action group is an Un-American group—a collection of Red, pro-Communists desiring to destroy our Constitution and thus our form of government. America is a Republic—not a democracy. The word "democracy" was never used in the Constitution. Citizens of the United States want no "World Federation" to replace the American form of government.

It should be obvious to everyone that, after their March 1950 convention, the Americans for Democratic Action were ready to "clear the decks" so they could pull a crisis and set up a military dictatorship under their rotten, pro-Red control. That actually came about, and Truman now considers himself a dictator in fact. The firing of General Douglas MacArthur is part and parcel of a pro-Red plot to seize control of the United States by dominating the policies of the Truman machine and also the left-wing group of the Republican Party. . . . those international warmongers who are backing General Eisenhower. They include Governor Dewey, Governor Warren of California, Pennsylvania's Senator Duff, Harold Stassen, and a few New England left-wing, so-called Republicans like Lodge, Aiken, Margaret Chase Smith and Tobey. Maybe they do not realize the trap they fell into; perhaps their greed overcomes their scruples.

Americans should not allow a pro-Communist group like the ADA, which is the personal creation of the Roosevelt wing, to dominate both the Democratic and Republican Parties. All voters should write their Senators and Congressmen in Washington and demand a thorough investigation of the ADA group before it destroys our Republic.

### MORE ABOUT STALIN

In "Le Nouveau Promethee" (Paris paper for National Cultural Defense) No. 7, May 1951, is a review of a book by a Soviet Army Officer under the pseudonym Ivan Krylov, called *My Career on the Soviet General Staff*. This review contains a quotation from the book, as follows: "The name of Stalin, Djugachvili, that is to say, in Georgian, 'son of an Israelite,' chvili—son: and Djuga—Israelite. The family of Djugachvili, of Christian orthodox religion, is descended from the Jewish mountain-dwellers of the Caucasus, converted at the beginning of the 19th century." —Reprinted from GOTHIC RIPPLES, England

# Open Letter To Brewster

Dear Senator Brewster:

On October 15th, I congratulated you in my private letter for your speech on the "Town Hall Tonight" program, in which you tried to enlighten the American public about the futility, even the un-American aspect, of the VOICE OF AMERICA program.

With your permission, I am in a position to give you certain facts which will prove your points, concerning said program, beyond the shadow of a doubt.

I charge the following: Mr. Ferenc Nagy, ex-premier of Hungary, is considered justly by the Hungarian people as a hard boiled Communist collaborator who advocated close cooperation with Stalin and his ideas even before World War II. Mr. Ferenc Nagy and his friend, Mr. George Salata, through a forged document, framed the most bitterly anti-Communist leader, Mr. Kovacs, who was arrested and interned by the Russians. With this maneuver, the anti-Communist Smallholders Party was broken up, so the Communists grabbed power very easily. On Mr. Ferenc Nagy's orders, more anti-Communist, democratic-minded Hungarians were executed (without trial) than on the order of the Communist Party.

With the "Voice of America" and "Free Europe Radio" is Mr. Karl Peyer who, in 1919, signed the Communist manifesto and held a position in the Communist government as Commissar. After the Communist dictatorship was overthrown, Mr. Peyer helped Bela Kun and Matyas Rakosi to take out of Hungary more than twenty million dollars worth of gold, and helped them to escape to Russia where they used that money to organize a Central European Bolshevik Revolution. Only Mr. Ferenc Nagy's name is more hated by the Hungarians who are waiting for the time when they can punish the betrayers.

The "Voice of America" employs such questionable characters as Mr. Izzo Szekely whose indictment by the Hungarian court, for forgery and embezzlement, is still in force. His Communist sympathies are known facts.

Also with the "Voice of America" is Mr. Joe Sombor-Schweinitzer who, during the first months of the German occupation, with his boss and friend, Colonel Martin Himler (C. I. C. agent, Communist party member) shipped back to Hungary hundreds of innocent, democratic-minded Hungarians to be executed by the Communists. They received \$400. for every person they sold to the Communists.

There is also Mr. Robert Gabor who, with a forged passport, which he bought from Mr. Andor Gellert (ex-newspaper reporter) was able to slip into America. His hands are still bloody from the blood of the innocent victims whom he, as secret police chief of Budapest, killed without trial or guilt.

The situation is even worse in the "Free Europe Radio, Inc." because the persons who are employed there by the Hungarian division are nearly all in the services of the Communists, even though they deny it.

Mr. Paul Vajda, a second-rate newspaper reporter, has been a Communist since the first Hungarian Communist dictatorship, for which he was convicted and served a jail term imposed by the duly authorized Hungarian court. There is also a life-time Communist, Mr. Laszlo Bekefy, a would-be artist, whose actions speak louder than his words. He is still collaborating with such Communists as Mr. Ferenc Condor (editor and publisher of "Az Ember," Hungarian pro-Communist paper) who in 1919 served as Commissar of the Hungarian Press Directorate. He and his co-villain, the world infamous Mr. Tibor Szamuely, Commissar of the Hungarian government, hung many innocent peasants in Csorna, Hungary, which I, myself, witnessed.

In the photograph above Britain's Prime Minister, Clement Attlee, is shown saluting with raised closed fist during an official ceremony held in Madrid during the Communist Revolution in Spain. It is accompanied by General Miaja and the Commissar of the Central Army Anton, leader of the Spanish Communist Party.

Attlee's message to the International Brigades was: "I should like to give my best wishes to all the Brigade and especially to the English company. We have been proud to hear of the high reputation which they have gained. I would assure them of our admiration for their courage and devotion for the cause of freedom and social justice. I shall try to tell our comrades at home of what I have seen. Workers of the world, unite!"

If people have any doubts as to the type of government Britain really has, they should remember that the clenched fist, as pictured, is the Communist salute.

During the Russian occupation in Hungary, I read many articles written by Mr. Condor in the Russian-sponsored, Hungarian newspaper. His words were very degrading towards America and, at the same time, glorified Russia and Communist ideas.

Also in "Free Europe Radio, Inc." service is Mr. Andor Gellert who, with his boss, Colonel Martin Himler, systematically robbed the better situated refugees in Germany and, for money consideration, shipped them back to Hungary for execution; 200 such cases are known against him and could be proven by reliable witnesses in Germany. Through his connections he was able to steal a stamp from the American authorities in Germany and, with that, was able to forge many passports, and help his friends reach American shores, where they can preach Communist propaganda. For that service, he received \$500. per head from the Communist Party.

Do you think, Senator, that these persons are fit to be employed by the "Voice of America" and "Free Europe Radio, Inc."? Can they qualify as speakers for the Hungarian people and induce them to resist the Russians and the Communists? NO! A thousand times, NO! They are among the guilty persons who sold out the Hungarian people, and Hungary, to the international brigands now destroying Christianity and everything it stands for. During 1946-47, I travelled in Hungary . . . in every city, village and hamlet . . . but I did not find any sane person who had a good word for these Godless individuals, or any defense for their actions.

I willfully omitted the names of the Jewish so-called refugees who are employed by the radio stations because they claimed that my hatred is nothing but anti-Semitism. That is just another flimsy charge which they are unable to prove against me. My hatred against the low betrayers is understandable by every clear-thinking person who knows that, from my immediate family, over one hundred were killed, or interned to Russia as slaves, just because they did not believe in the ideas of the Communists. For this criminal deed I blame no one else but Mr. Ferenc Nagy, and his mentioned co-villains.

The funny part is that they cannot be exposed; thanks to the Red-minded State Department em-

ployees who, according to your former colleague, Senator Tydings, are not Communists or Communist sympathizers, but just victims of an "organized witch hunt."

For God's and Humanity's sake, please look into this Communist infiltrated syndicate, and use your power to disperse or deport the guilty ones before they are able to sell and betray our free land to their masters, the Kremlin world-spoilers!

Very sincerely yours,  
STEVE J. THURANSKY,  
2651 Collins Ave.  
Huntington, W. Va.

## Universities Get Talmuds

In a previous issue of Common Sense it was reported that the U. S. Army had cooperated in the printing of Talmuds. Now, according to a New York Daily News item of June 18, 1951, it is revealed that nineteen-volume sets of a new edition of the "Talmud of the Surviving Remnant," published in Germany by the Joint Distribution Committee, in cooperation with the U. S. Army, have been given to 45 American universities and seminaries.

Further, it is the responsibility of all the American public to protest such use of the taxpayers' money and services of the U. S. Army. If there is no greater work for our armed forces to do in Germany, other than running printing presses every last serviceman abroad should come home. They could be put to better use in this Nation draining swamplands!

Recipients of the set include Yale, Harvard, Chicago, Columbia and Brandeis universities. Institutions originated and supported by Christian Americans, on Christian funds, should make it their business to ascertain whether or not present-day students are obtaining a Christian education, or are being subjected to teachings which deny the divinity of our Lord, Jesus Christ, and shipping Talmuds to the American Republic.

# 'COMMON SENSE'

## Intimidation Of 11 Printers By Un-American Patriots Urged To Take Heart, And Back \$20,000 Press Appeal

While friends, both subscribers and volunteer workers, of **Common Sense** have lately been besieging the office with the repeated inquiry—"Why is my paper late in reaching me?"—the Editor and staff of this publication maintained a discreet silence. Presenting a brave front, grim smiles were used to hide a seemingly disastrous setback:

**COMMON SENSE** HAD LOST ITS ELEVENTH PRINTER, and dared not broadcast the fact for fear of scaring away potential printers.

At the very moment when things looked blackest—when there was every reason to believe that **Common Sense** had, at last, been forced out of pro-American, pro-Christian crusade—an extraordinary opportunity was found.

**Common Sense** can have its own press. The option, based primarily on our faith in American patriots who will join us and be partners in this Christian endeavor, has been signed.

But . . . \$20,000 MUST BE RAISED IMMEDIATELY. That sum will pay for the press itself (capable of turning out 3500 eight-page papers an hour), a folder, a large supply of newspaper stock, and equipment needed for the mailing department. In short, it is the dream so long held by all crusading Americans who wished for an established patriotic press, free from advertising, and well-equipped to quickly expose the evil Communistic forces working to destroy America.

Securement of this press will mean a better paper—every week. A better paper, for the Editor and staff will be freed from the gnawing, sleep-breaking worry that any morning might bring a phone call from a printer:

"Sorry, we can't do your work any more . . . They've been in . . . Yes, threatened to cut off our supply of paper stock . . . We'd go bankrupt . . ."  
"They?" Who are "they?"

### THE ANTI-DEFAMATION LEAGUE

Regular readers of **Common Sense** know the A.D.L. But, for the benefit of latecomers, an explanation is in order.

The Anti-Defamation League is one of the Jewish so-called "defense arms." It is undoubtedly the best known of those "defense arms" allied with, or under the control of, the B'nai B'rith. On its several-million-dollar yearly budget the major portion of which is obtained through Christian contributions to the United Jewish Appeal the Anti-Defamation League operates a powerful gestapo system which intimidates printers with threats of boycott; curtailment of advertising; "strikes" by Jewish members of the typesetters union; withholding of newspaper stock and—if necessary—purchase of printing establishments to stop them from printing patriotic literature.

Never does the A.D.L. threaten, molest, or intimidate the left-wing or Communist publications, although there are some 400 of them in the United States. The Communist "Daily Worker" goes about its subversive business to Communize America without any fear of an A.D.L. attack.

As an illustration of this fact, the radical "New Republic" hired the Red Henry Wallace at a fabulous salary to act as editor, and financed his campaign for President of the U. S. Has the Anti-Defamation League ever investigated the report that Nelson Rockefeller and

Michael Straight are not only the financiers of "New Republic," but underwrote the Wallace presidential campaign? The "New Republic" is published by Westrim Ltd., a corporation financed by Mrs. Leonard Elmhirst, social leader of British Communism and widow of Willard Straight, former J. P. Morgan & Company partner, and mother of Michael Straight. Her son, Michael, was an "adviser on economics" for the U. S. State Department and a protégé of Zionist Felix Frankfurter. He is the same Michael Straight who boasted: "The New Deal is more dynamic than Fascism and more revolutionary than Communism."

Has the A.D.L. protested? Not that anyone knows of.

Associated with Wallace as a co-editor of "New Republic" we find a character named Malcolm Cowley. Cowley is also editor of "Soviet Russia Today," and a contributor to the radical "New Masses" and Communist "Daily Worker."

Has the B'nai Brith's Anti-Defamation League exposed these crimson individuals? No. Is it because such publications are controlled by the International Jewish Bankers and their financially prostituted "Christian" fronts? The history of every "Communist" Revolution proves the behind-the-scenes activities of the powerful International Jewish Bankers while patriotism for one's own Country has remained the poor man's burden. To cite a typical example of the financial support given by subversives in our midst to aid the alien destroyers of our Nation—The Red "Daily People's World" of California reported on August 10, 1951, the weekly total of \$10,844.42, the result of their militant drive for a defense fund to assist its two editors, Al Richmond and Philip Connelly, jailed under the Smith Act. They raised \$115,000 in three weeks.

Has the Anti-Defamation League demanded that "Daily People's World" stop printing a paper? Never!

### TRUTH IS PENALIZED

The decision of Mr. McGinley, Editor and Publisher of **Common Sense**, to undertake the financially unprofitable task of patriotism was spurred by several things:

1. He realized that World War II's "crusade for 'four freedoms'" was the greatest criminal hoax of the 20th century. While priceless American lives were being lost in a battle for a will-o-the-wisp, freedom, abroad individual Americans at home were losing their liberties through centralization of the national government—"war emergency" restrictions and a crippling tax policy.
2. He had read "Rebuilding A Lost Faith" (the confessions of an American Agnostic) in which the well-known editorial writer, Phillip Francis, was quoted as branding the big American papers as "cowardly and controlled . . . who, whenever it is a question between mere coin and GOOD, HONEST, PATRIOTIC PUBLIC SERVICE, WILL TAKE THE COIN EVERY TIME." He also noted, in that same book, the quoted statement of New York Editor John Swinton who, decrying the loss of America's independent press, remarked: "Not a man among you dares

to utter his honest opinion . . . It is the duty of the New York journalist to LIE, TO DISTORT, TO REVILE, TO TOADY AT THE FEET OF MAMMON, AND TO SELL HIS COUNTRY AND HIS RACE FOR HIS DAILY BREAD, or what amounts to the same thing, his SALARY."

3. He became aware of the fact that there was an abundance of left-wing, radical, and Communistic material all of which glorified "one worldism," "Socialism," and global "do-goodism," but the voice in behalf of AMERICA was little more than a mouse's squeak.

When investigation proved to Mr. McGinley that most of the American press was, actually, a prostituted press, he accepted the responsibility incumbent upon him as an American citizen whose ancestors were pioneers of the West and launched an all out crusade for truth.

Two lawyers and two deputies (all Jews) under directions from the A.D.L. find editor of **COMMON SENSE** alone in office, start a fight and arrest him for beating the two deputies. The Jury, however, found him "not guilty."

The first edition of **Common Sense** was issued in 1946. Despite persecution, threats of death, coercion of printers, slander, and even false arrest, Mr. McGinley never deviated from the foundation on which **Common Sense** was built: PRINT THE TRUTH.

It is a policy which has paid rich returns in this respect—**Common Sense** is no longer an echo in the wilderness, but a powerful voice for freedom, circulating from 25,000 to 50,000 copies bi-monthly and reaching into every religious, legislative, educational and civic strata. The enemies of America are now afraid of this power, for, while they do not refute the facts published in **Common Sense**, and there has never been a libel suit, every contemptible measure has been taken to silence the paper. They do not challenge the truth. They challenge our RIGHT TO PRINT IT.

None but the friendliest relations ever existed between the Editor of this paper and Grant Bauer, original owner of the "Union Register" where the first copies of **Common Sense** were printed. But, after a few Marxist Jews bought stock in his paper, Mr. Bauer was told to stop our work. When he refused to heed their request, the Jews worked to obtain controlling stock in the "Union Register." Successful, they forced Mr. Bauer out; took over the **Common Sense** account and demanded payment of \$2700 for a total indebtedness of \$1500. Refusing all

officers of an amicable settlement, the Zionist owners' attorney, Mr. Dvorin, informed **Common Sense's** legal adviser that "COMMON SENSE IS A DIRT SHEET AND HAS TO BE STOPPED."

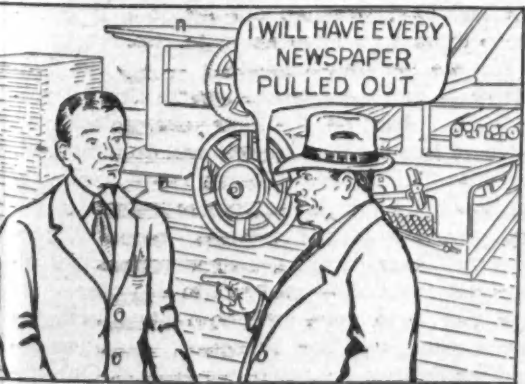

The publisher gets his orders from the Zionists.

When we obtained the services of Eben Kempson, a Linden, N. J., printer, the Jews could not let us have freedom of the press. They cursed Mr. Kempson openly on the streets and eventually, through control of the linotype union, informed Kempson that he could not have type set on a linotype machine in all of New Jersey if he persisted in printing **Common Sense**.

The printer has no choice; the Jews will boycott him out of business.

A large printing concern, 400 miles from New Jersey, printed an issue—only one—then that mysterious power stepped in.

This is a very large concern; prints newspapers for more than a hundred firms. These newspapers carry advertising. The Anti Defamation League will have all Jews remove their advertising from these papers if necessary to force them to quit this enter in event they continue to print **COMMON SENSE**.

Next, the Style Printing Company of Irving, N. J. called at our office to solicit our print. We warned them the Jews would boycott them, but they insisted such intimidation would only make them more determined. Two days later they changed their minds.

A large engraving company had been making picture cuts for a considerable time. Then

they had a "Committee" call on them. Within hours, we were told "regretfully" they dared do our work no longer.

About February, 1949, a Jewish man, of Flemington, N. J. undertook to print the paper. Zionist pressure, however, soon forced him to "throw in the sponge."

Many things can happen to the printer's business if he decides that he is the boss of his own business.

It was a Jewish lawyer, who walked into the office of Mr. Ray Gill (publisher of the "Dover Advance") and, after identifying himself as representing the "Law and Social Division" of the American Jewish Congress, flatly stated that unless Mr. Gill stopped printing **Common Sense**, "I will have every bit of Jewish advertising removed from your paper." Since Mr. Gill, his family, and relatives were dependent upon their own paper for a living, there was not any choice. They dropped **Common Sense**.

Our next contact was with International Press, owned by Doctor Kosik, a real Christian and American patriot. For over a year and a half he stood fast in his resolve not to abandon work on **Common Sense**. It cost him thousands of dollars in business, but when the Jews could succeed in no other way they played their trump card: "You will not get one pound more of paper, if you do not drop **Common Sense**."

We were, again, without a printer!

This is a large plant that prints ten papers. The mysterious power caused Jewish advertisers to force four of these papers to quit doing business with this printer causing them to lose more than \$15,000, but they continued to print **COMMON SENSE**. Finally, jobbers who handle the news stock in this section (Jews) cut off supply to this plant so as to bankrupt him or force him to give up **COMMON SENSE**.

From another printer, we ordered 100M papers. He was, apparently, pleased with the business. The press began to roll. Forty-three thousand copies were finished. Someone called. The press was stopped, all type melted down, and we were left with no way to have the balance printed.

The last printer gladly accepted our check for an issue he was to print at once. After delaying for three weeks, he returned the money to us. No work was done, of course.

That mysterious power by people who talk "tolerance"—yet are the only ones who preach hate—had intervened.

This editor had a paper of his own. He is told in no uncertain terms that his Jewish advertisers will take their advertising to his competitors unless he drops **COMMON SENSE**.

We do not owe one dollar to anyone who has printed **Common Sense**.

The American Jewish Congress does not dare challenge **COMMON SENSE** on their statements, but they will have none of free speech.

## THE DAYS AHEAD

There should be no doubt in the minds of Americans that the present global crisis is not merely another struggle for political power, but a definite trend which will effect the lives of all men, women, and children of the United States. None will be able to escape the dire consequences of the plotted world-wide revolution. The International Zionists have laid their plans well and they intend to make slaves of all Christians in the not too distant future.

Even now, we must confess to our friends that, despite all we have already done to warn against the alien, anti-Christian plan presently unfolding, there are extremely important additional facts our readers should know. It is regrettable that so much valuable information has had to be withheld because of **Common Sense's** limited size and irregular publication.

The soul-stirring diary of a Christian Hungarian, who fought for freedom in his country, is in our possession. It should be widely read. Flourination of water, a plan whereby Americans are slowly dosed with poison, must be exposed. The almost complete Jewish control of the U.N.O. demands careful study if Americans are to fully understand the challenge of those who say: "Let us take the mask off. Let us play the Lion of Judah for a change. Away, away with false patriotism. A Jew can recognize only one fatherland—Palestine." (As quoted in the "Jewish World").

The present **Common Sense** group wants all such information widely known. It is a task we cannot handle alone. The Editor, who gave up a profitable business to crusade for the American

(Continued on Page 6)

## Press Appeal

(Continued from Page 5)

Republic, the loyal staff and volunteers have already gone "all out" for several years. Every Christian patriot connected with **Common Sense** knows that, today, the paper's chief ailment is—"Growing Pains."

### FINANCIAL MEDICINE—OR, DEATH?

Each reader of these pages must answer that question. It is a question pregnant with meaning because, if **Common Sense** is lost for the want of \$20,000, America and Christians of every denomination are scheduled to die with it. It is not necessary that the Marxists crush each one individually—if the leaders are destroyed, all go down in slavery. More than a billion people now exist under this cruel rule. It will happen here if Mr. and Mrs. America does not pray, work, and sacrifice.

Already the clique directed by the Anti-Christ is planning World War III. When it comes, this great American Republic, founded on the principles of Christianity, will be reduced to the animal-like existence inflicted upon European nations. There, during the last war, millions of people trudged down the roads leaving behind fine homes, expensive works of art, keepsakes, and bank deposits. Today, those who survived, live in cellars—many are glad to be able to scrub floors. NOW they know that once liberty is gone, and Zionist-Communist masters take control, everything is gone.

We want your help in this fight against the subverters of Christianity. We want you to buy your share of freedom now.

The goal is \$20,000.

Before you make any decision on this appeal, we ask you to look upon the faces of your sons, daughters and grandchildren. If the welfare of America means little to you, personally, ask yourself what heritage you want to leave for them. Ask yourself if, for their sakes, you can afford NOT to be a partner in the Crusade for America and Christ.

If you can send us \$1000., \$500., \$100., \$10., \$5.00—or even \$1.00—surely, our Lord will bless you in some way. Examine your conscience, then send every dollar you can spare and a little above that.

From some we wish only prayers for our protection and guidance. They, also, will have His blessings; He will know what is truly in their hearts.

Do not delay. Send your **very best** contribution immediately.

Checks, money orders, and bank drafts should be made payable to:

Union Patriotic Press

and sent to:

Union Patriotic Press  
Box 428

Union, New Jersey

Every patriot answering this appeal at once will receive a copy of "The Great Idea," an illuminating exposure of the Rhodes Scholarships and their part in the "one world" plan, or a copy of Judge Armstrong's new book which will be out soon. (Requests for the last will be filled as soon as the book is off the press.)

The copy for this article has been prepared by the staff and volunteers associated with Conde McGinley, editor and publisher of **Common Sense**. It is our whole-hearted belief that "The Boss" has made every sacrifice humanly possible to put the welfare of America before his own needs. We, ourselves, have scraped the very bottom of the barrel. If we had more to give, other than our time and efforts, you would not now be reading this. In closing, we would like to quote Ephesians, III:20—"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, unto him be the glory in the Church and in Christ Jesus unto all generations for ever and ever."—The Staff and Volunteers of **Common Sense**

## Letters To The Editor

Dear Mr. McGinley:

Please send me at once some of your June 1st issue of **Common Sense**. You are doing a fine piece of work. Do not hesitate to expose any traitors in the churches or out. Never forget that neither Roosevelt nor Truman could have come to power and wrecked our country but for the support of the Catholics, who have backed these Democrats which filled the administration with Communists.

You cannot talk against Communism today and politically support it without branding yourself a traitor to your country. Is not this a fact? This is what I want you to get over to the church people of all faiths.

—B. M. M., Ohio

Editor, **Common Sense**:

I have enjoyed your paper very much and admire the good work you are doing by informing the people about Communism. Hope the American people will wake up in time to stop this terrible thing.

E. B., Maryland

Editor, **Common Sense**:

I sent you a letter once before. I read your Christ-like paper, not because I like it, but because I know you hate God's chosen people. You and all your monks and crosses will be thrown into a pit to rot sooner than you expect.

—Unsigned letter, Washington, D. C.

Mr. Conde McGinley, Editor  
**Common Sense**

Union, New Jersey

Dear Mr. McGinley:

I am enclosing you, herewith, our check for \$1.00 for renewal of one year's subscription to your valuable publication.

I look forward to receiving your paper which gives a lot of pertinent facts concerning the operation of our governmental affairs in Washington, D. C.

I trust that the good Lord will give you grace and fortitude and strength to fight these buzzards in the future as you have done in the past.

With kindest personal regards, I beg to remain,

Very sincerely yours,  
Santa Ana, Calif

Dear Mr. McGinley:

... Well, Mr. McGinley, you are doing a wonderful job and all true Americans should be proud of you, but do you think they are? No, a lot of them are so dumb they think you are stirring up race-hatred and that your papers should be burned! Who are the most ignorant and stupid ones? You may be surprised when I tell you it is the church people, both Protestants and Catholics! Strange, isn't it, when you are fighting for their Christ against Christ-hating Zionists, that they should take that attitude? Nevertheless, you will find many, many church people who think one should not say a word against a Jew.

Now, a Jew is human. He is not sacred, and if he is against Christ then he is the enemy of ALL CHRISTIANS and it is time we awakened to the fact. How is it that a supposedly Christian nation can support Anti-Christians; and give them the best jobs in the government?

May God Bless and prosper you, and your great work to save America.

—C. M., Arizona

Dear Sirs:

Please find one dollar for a year's subscription to **Common Sense**. I have read a few copies and find them very suitable and very truthful about the Anti-Christian Conspiracy staged by the Zionists all over the world. With regards to the U. S. A. we do well to pray every day: "From Morgenthau, Frankfurter and Lehmann, deliver us, O Lord." I have a clear perception

of all the mischief that is done by the Marxists, Inc. I am a Catholic priest and know what the result of such machinations will be.

Yours In Christ

Editor, **Common Sense**:

Your paper is one of the best I have seen. Since I have been an anti-Communist worker for 15 years, I know that what you print is true.

Even Liberty magazine in its Canadian issue for January of this year predicted that the Jews would be forced to leave Canada because the population identifies the Jew with Communism.

Have you any other Canadian friends, or patriots in Buffalo, Niagara Falls and Rochester? Maybe they would like to contact me.

Sincerely yours,

H. WINTER

15 Admiral Road  
Toronto, Ont., Canada

## Christians Beware Of Your Leaders

By PIERCE HARRIS

While many Methodist leaders are disturbed—alarmed, to state the full truth—the threat of communism's creeping shadow is not peculiar to the Methodist Church alone.

The loyal members of all denominations would do well to examine the pattern of thinking among their leaders, especially editors and youth leaders, who occupy positions where they have unusual opportunity to influence thought and determine trends in future policies of the denomination.

J. Edgar Hoover puts it like this: "I confess to a real apprehension, so long as Communists are able to secure ministers of the gospel to promote their evil works and espouse a cause that is alien to the religion of Christianity. This 'apprehension' is shared by many, who have no platform from which to lift their voices, but who love their church, their country, and their 'way of life,' and who know that the deadly accuracy of 'cause' and 'effect' will finally bring these 'minority' voices, if left unsilenced, to be dominant in the counsel of Christendom."

### LEADERS APPREHENSIVE

Even with the minds of religious leaders filled with apprehension, there is no real need to sit hopelessly by, wringing our hands and grieving as those who have no hope.

We are not only Christians — we are Protestants — and there is always the right of protest — and don't get the idea your protests will be tossed into the wastebasket and go unnoticed. That wise Old Testament leader knew human reaction when he said, "Let the redeemed of the Lord say so." When aroused, indignant people stand up and say so, their vibrant voices always get attention — and will in this case.

If you have been reading reports from the Baptist meeting in San Francisco, you have noticed the Baptists are using this method. Only recently the Presbyterian General Assembly did the same thing.

Shallow thinking has always been the "slough of despond" in which many bright dreams have been buried. Examples are endless. For one, to think that getting a lot of different colored feet under the same table, with a smiling white woman saying to a smiling Negro woman, "Mrs. Johnson, pass the biscuits," is the solution of all racial problems is to bypass the need for decent housing, adequate educational opportunity, and training for occupational independence.

The tide is coming in, and if taken at its flood — NOW, the cause of Christ will go on to fortune. Reprinted from "Atlanta Journal" (June 29, 1951)

# UN Military To Take Over

(Continued from Page 1)

Times (July 17) said: "Many of the troops who engaged in the practice maneuver had experienced the same problems in actual warfare, for they were veterans of military government teams employed in the liberation of cities in European and Asiatic war theaters during World War II."

## Will Suppress Newspapers

I know some of them who are solid Americans, sick of what they saw inside the New Deal. But most of the appointees were wholly unable to distinguish a Communist from their own "liberal" shadow. I am afraid they will be willing tools in the hands of the political adviser which the Truman Administration (or the revolutionary Anti-Defamation League) will furnish in each city. They may be directed against the enemies of the Truman administration—meaning the anti-Communist, anti-Socialist Americans.

When one of the MG units "seized" Huntington Park, its commander, Lt. Col. Roy C. Evans, told the local Rotary club, (as reported in the Huntington Park Daily Signal, July 18), "The military unit will take over administration of all business, lock, stock and barrel, telling the businessman what he can make and how much, what he can sell and who he can sell it to and for how much, and what supplies he can have..."

"... the intent of Military Government as outlined by our Army is primarily intended to be beneficial for residents coming under its control, but the rights of individuals are coldly disregarded if they conflict with the better interests of the community or the desires of the occupying forces."

We expect that under martial law the military will be supreme. But Mr. Truman has been mentally so conditioned by his pro-Communist advisers that he now is vicious and vindictive toward those who criticize him, especially toward those who try hardest to get him to drive the Communists out of the administration. In his Detroit speech, July 28, he bitterly attacked those "who are using the smear that the big lie for person publicity and partisan advantage, heedless of the damage they do the country." Mr. Truman reportedly was referring to such patriots as MacArthur and Senators McCarthy and Byrd, who are trying to save their country.

In this state of mind Mr. Truman with power absolute, may be expected to issue instructions to liquidate or at least silence all critics because of "the damage they do to their country". The occupying officers of the California cities said specifically that all newspapers would be suppressed till they arranged for publication under their instructions. The light will go out, darkness will prevail, the hour that Truman proclaims martial law, however anti-Communist may be the officers in charge of the various American cities. They will follow orders from up channels.

The proclamation issued by the commanding officer who "seized" Huntington Park (which was fictitiously designated as the town of Agressi), read in part:

"Whereas, in prosecuting the war against Agressi, it has become necessary for the armed forces of the United Nations under my command, to occupy this town..."

"Now therefore I... by virtue of the authority vested in me by the United Nations Security Council, do hereby proclaim as follows:

"All persons in occupied territory will obey promptly all orders given by me or under my authority and must not commit any act hostile to the forces under my command or helpful to the Agressi forces; may not commit acts of violence or acts which may disturb public order in any way..."

"Your existing customs, religious beliefs and property rights will be fully respected and your existing laws will remain in force and effect except insofar as it may be necessary for me in the exercise of my powers and duties to change them by proclamation or order issued by me or under my direction."

Over the radio networks we are now getting

the propaganda build-up for such a dictatorship. We are beginning to hear more and more the expressions "Defense Government" and "Military Government," as if it is a foregone conclusion that we are to have all our institutions of self-government and justice swept aside as in the Soviet Union, and to have imposed on us a completely new and absolute government.

## Organizing As In The USSR

I have no information as to how long it will take to train enough MG units to take over the country, or the principal cities. It should not require many thousand men, for, since this is obviously the creation of minds promoting the United Nations world power plan the Anti-Defamation League and its affiliate, the American Jewish Congress, would be the planning agencies. There is also the fact that none of the left wing agencies have said a word against the Military Government and Civil Defense developments; on the other hand, they seem to favor these developments. Their people are infiltrating the new forces.

The absence of criticism from them is the surest sign that the MG and CD forces are not inimical to their plans. If these forces were likely to round up the scores of thousands of Communists, the ADL and AJC would be holding mass meetings condemning the military government units and program.

Wherever either the USA or the USSR has established Military Government forces each MG commander has been furnished a political "adviser." The military man may not have the slightest knowledge of the issues at stake. He may be a thoroughly loyal American, but he will have to comply with the instructions from his political adviser. In most instances of which I have any knowledge this adviser has been a Jewish nationalist, or Zionist, favoring all the measures and terrorist devices of the Communist revolution. For example, the adviser to General Clay over Germany was the Zionist Rabbi Philip Bernstein and the adviser to John J. McCloy is the former vice president of Kuhn, Loeb Co., Benjamin J. Buttenwieser, in whose palatial home Communist Alger Hiss was a guest during most of his second trial.

The Anti-Defamation League told us in its booklet, Fighting Anti-Semitism on the Home Front, that it had (in 1948) "2000 key men in 1200 American Jewish communities," that is, 2000 agents in 1200 American cities. That covers all our cities down to small towns. These agents are trained, and they have records on all the outstanding enemies of the Socialist-Communist-Zionist New Deal. Whoever becomes the political adviser in any of these 1200 cities will have his work already cut out for him.

We will get nowhere unless and until we expose the Anti-Defamation League and bring about the seizure of its records and the suppression of its activities. It will destroy America if we do not destroy it, and the clock may strike any day; and in the first few days of absolute power, how do we know the invisible government will not smuggle our atomic bombs out to Red submarines?

## Anna Rosenberg the Boss?

We cannot overlook the fact that Anna Rosenberg is the Assistant Secretary of Defense in charge of George C. Marshall and would wield great power over the military dictatorship. I have felt from the time of her appointment that she was to be the key figure, perhaps the Ann Parker, of the Communist ("Zionist") revolution in America.

True, the mighty US Senate was fooled and scared (by the threat of being smeared as anti-Semitic) and stampeded into confirming Truman's appointment of her, but her old Communist record still stands. Her whole life has been on the side of the Marxist minority power and her son admitted to Jewish newspapers that she had long worked with Zionist organizations. She contributed an article to the official Communist organ, New Masses, Dec. 8, 1942, a harmful article, but to an official Communist paper.

## 17-GUN SALUTE FOR JEWESS!

Whenever she appears at formal military functions, Assistant Secretary of Defense Anna M. Rosenberg, the Hungarian-born Jewess, is to be given a 17-gun salute. This is equivalent to the salute of honor given to General Douglas MacArthur.

Considering that Annie has written for the official Communist publication, "New Masses," perhaps she deserves one more salute than General MacArthur.

She was at that time New York Regional Director, War Manpower Commission (a government employee). I photographed enough of the article to show her title and the "NM" (for New Masses) and date, and re-print the photograph herewith.

Evidently most Senators even yet do not understand that a Communist revolution turns on the word "anti-Semitic." The technique is to push a willing Jewish tool into a position of power, then smear the opposition as anti-Semitic. The technique forces us to risk the cheap little Communist smear "anti-Semitic," or risk enslavement. In this age of moral cowards, there seems to be a majority selling us out in the Senate. All the Senators needed to do was to explain in the public press that the "anti-Semitic" smear is just a scare-goblin of the Communists, and pay no further attention to it.

It may be that Truman has no knowledge of the existence of the military government plans. His cronies may not have interrupted his poker game to tell him. Rosenberg and Comrades may simply have set up this dictatorship plan on their own initiative. Who or what is to prevent such seizure of power?

How will you stop this revolution? How will you keep Zionist agents from exploding bombs in our cities and Truman from proclaiming martial law and the Military Government from moving in and taking over, with the ADL directing the show from behind the scenes?

You tell me. For two years I have felt that this country might be destroyed unless we could get rid of Harry Truman. Congress has shown that it is not going to impeach him. It will not even impeach Acheson, whose record shows him to be an outright Communist, deliberately serving the enemy. We have been unable to stop the revolution by letters.

But God help us if we stop fighting! We will be sorry. Let's really try, this time. Why not get some sensible friends together and call on your editors with these facts. Get the editors to start probing and start fighting. Get them to start a march to Washington. Then call on your mayor and police chief and sheriff and city councilmen. Make them see the facts. Write General MacArthur in Waldorf Towers, New York City, urging him to lead the fight. Then rally your neighbors—and go to Washington and hound your delegation and other Senators and Congressmen till these busy men take time to see what is happening to the Republic. We should impeach Truman and get out of the subversive United Nations—and before Congress adjourns.

Maybe you can start something.

SENATOR JOHN W. BRICKER

Senator John W. Bricker, (R., Ohio) recently termed the proposed United Nations Covenant on Human Rights a "blue-print for tyranny," aimed at stifling criticism of the "Fair Deal" through government control of the press.

He introduced a resolution calling on the Senate to express disapproval of the covenant and its desire that U. S. delegates to the UN should break off all negotiations on it. Further, he urged Mrs. Roosevelt — one of the Covenant framers — to "renounce this blue-print to tyranny or accept the consequences for sponsoring it."

# Propaganda In The Movies

Whether the public realizes it or not, paid agents of the United Nations organization are engaged in a deliberate and organized campaign to propagandize American citizens into paying allegiance to the United Nations rather than to the U.S.A. This is being done by "glamorizing" the U. N. in every way possible. At the same time militant defenders of Americanism and the constitution are being portrayed as "extremists," "isolationists," "reactionaries," "dangerous nationalists" etc. etc.

Significantly, the chief of the United Nations department of Public Information—which is a propaganda agency, pure and simple—is one Benjamin Cohen. To see that pro-United Nations propaganda is injected into the movies, Mr. Cohen keeps a U.N. propaganda agent in Hollywood on a fulltime assignment. This agent, one Mogens Skot-Hansen, is charged with the task of 'setting the stage for a better understanding of the U.N. for the next hundred years.'

He's succeeding too. The Jew producer, Julian Blaustein, has already produced two movies popularizing the U.N. "Mister 880," for example, is a comedy about an aged counterfeiter with a heart of gold and a penchant for printing \$1.00 bills. The heroine of the play is Margaret McGuire, who is cast as a United Nations interpreter. Several scenes of the U.N. in action are worked into the picture. Blaustein is also pro-

ducing an interplanetary fantasy involving a "United Nations of the Universe."

Here are a few other examples of how U.N. propaganda (which, incidentally, we are paying for) is being injected into the movies: In one film, "Here Comes the Groom," Bing Cosby is cast as a journalist writing about U.N. relief work. Other films dishing out the pro-U.N. propaganda line are (1) "When Worlds Collide," (2) "The House on Telegraph Hill," (3) "The Big Glass House." The latter story is about the U.N. Secretariat.

From all indications there's a lot more of this. One World propaganda on the way. Says the Christian Science Monitor: "There are a dozen other stories in preparation which refer to the U.N. in one way or another. U.N. field observers, interpreters, and mediators are important characters; international co-operation is highlighted in a trip to the Himalaya peaks or a campaign against disease in a trip to the Amazon region. Eric Pommer is doing a Lanny Budd script based on Upton Sinclair's globe girdling novels, and Robert Riskin is working on something called the "Girl from Bogardus," in which the main character is a U.N. delegate."

And we can expect more of the same "for the next hundred years," just like the man said.

—By Frank Britton, author of "Atom Treason"
